Importance: High

Here are the questions that I heard on today's call. Pls add what I missed or clarify as needed. Thanks!

1. Why did I get the email from EPA?
2. What do I have to do in response to the email?
- a. What happens if I don't answer EPA?
3. What is the scope of the FOIA request? (maybe include a short 411 on FOIA process in this response)
4. If I say "YES" to CBI, do you need the specifics of the claim at this time?
5. Can I get more than 3 days to respond?
6. Can I review what you are providing to the FOIA requestor, before it is shared with the requestor?
